Title: USFWS Fish and Aquatic Conservation Program (FAC) Strategic Plan Update

Desired outcome(s): Board awareness of the status of USFWS FAC Strategic Plan development

Background:

On July 29, David Hoskins provided an overview of the USFWS FAC Strategic Plan to members of the National Fish Habitat Board via webinar. On August 25 the draft plan was released for review. On October 7, a comment letter was submitted to the USFWS on behalf of the NFHP Board.

Briefing Book Materials:

USFWS Strategic Plan comment letter provided to USFWS on behalf of the NFHP Board
